

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **Pat Gitler v Clark Clawson**
Docket No. **276363**
L.C. No. **06-017408-CZ**

William C. Whitbeck, Chief Judge, acting under MCR 7.203(F)(1) and 7.216(A)(10),
orders:

This appeal filed on February 23, 2007, is DISMISSED. Appellant has filed a document titled both as a claim of appeal and as an application for leave to appeal. As a claim of appeal it was untimely filed since it was not filed within 21 days of the January 31, 2007 order as required by MCR 7.204(A)(1). As an application for leave to appeal it was nonconforming and was trying to appeal directly to this Court two district court cases. This dismissal is without prejudice to appellant filing a conforming application for leave to appeal limited to an appeal of the January 31, 2007 order. A conforming application has title page, table of contents, index of authorities, statement of questions, facts with page reference to the record, argument, and a relief requested section.
